

Montessori Academy's Annual

OPEN HOUSE & MONTESSORI NIGHT

FEBRUARY 28, 2018 from **4:30-6:00PM**

Who was Maria Montessori?

What is a Montessori Education?

How do program levels evolve at our school?

Please join us anytime between 4:30PM and 6:00PM with your family to observe your child in his or her classroom environment, discuss Montessori philosophy with your child's teacher, visit other classrooms on campus, learn more about what Montessori education really means, and chat with other Montessori Academy families about their school experience. We will have refreshments and additional information available on the lunch patio. We look forward to seeing you!
